

Question Is the colour / stain consistent on all doors?

Answer We aim to match as close as possible, though colour can vary slightly.

Question Which timber should we use on frames and lipping?

Answer Ash or Oak to match veneer, in the case of Eucalyptus veneers, use Maple.

Question What are the veneering options?

Answer All Creato veneers are book-matched.

Question Where do the product names come from?

Answer They are all Latin words. 'Animus' for example means soul; mind in Latin.

Question What surface finishes are available?

Answer Between 10% (matt) ≥ 30% (standard).

Question Can I use Creato on Imola and Veneered panels?

Answer Yes, Creato veneers are compatible.

Question Are they FSC® compliant?

Answer Yes, FSC® sustainably sourced timbers are available on request.

Question Can we order custom colours?

Answer Unfortunately not, but our bespoke services with sample approval will.

Question Will the door lipping and vision panel bead be stained to suit the veneers?

Answer Yes, we stain match to accordingly.

Question Is Creato available with inlays

Answer Unfortunately not, but our bespoke service has inlay options.
