Partridge Green, Horsham
West Sussex, RH13 8RA

Dear Jim,

Status of Forza Doors Ltd towards the Renewal of Certificate FRTD497

Please accept this letter as confirmation of the status of Forza Doors Ltd with regards to the renewal of Certificate No. **FRTD497** held for independent third-party product certification with IFC Certification Ltd.

Forza Doors Ltd originally gained voluntary third-party certification for their **Fire Rated Timber Doors**, in accordance with the requirements of the IFC Certification Product Scheme, on 25th November 2010. The certificate at issue 11 expired on 24th November 2025, and a recertification audit is required to enable renewal of the certificate.

Due to existing commitments, IFC Certification was unable to undertake an audit at the manufacturing site before the stated expiry date; we are currently in the process of arranging the audit, which will be carried out on the 21st January 2026. We fully expect that the audit will provide verification that Certificate FRTD497 can be renewed for a further 5 years from 25th November 2025, based on previous annual audits of Forza Doors Ltd's quality management systems and factory process controls, and this letter is issued whilst your company awaits the renewal, which will follow a successful audit and acceptance of a recommendation for reissue by the IFCC decision maker.

We trust the content of this letter clarifies the status of Forza Doors Ltd in respect to the renewal of IFCC Product Certification.

Yours sincerely

MARC STURTIVANT

Overseas Product Schemes Manager
IFC Certification Limited
